Public Hearing – Bill 25-08

Emergency Medical Services Transport Fee
Captain Darlene Machovec, EMS702

Montgomery County Fire & Rescue

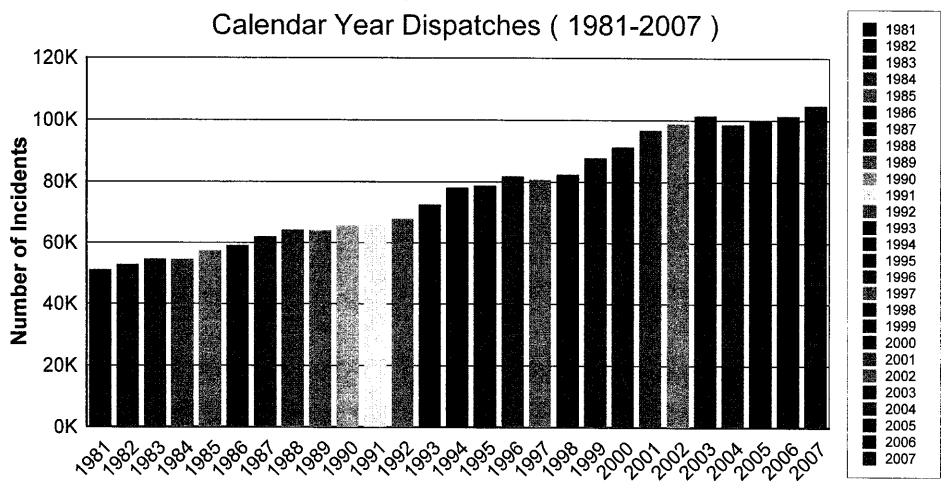

I am here tonight asking the County Council to please <u>support Bill 25-08</u>; with our present situation facing budget shortfalls we cannot afford to say no to ambulance billing. This could be an estimated 14 million dollar revenue source.

We currently run over 104,000 calls each year, 80% of these calls are for EMS.

Tonight I also brought some items to show you that we cannot restock at the area hospitals. These items get utilized many times during the day and must be restocked back at the fire station. Who pays for it?... the County Government does. I used to purchase EMS supplies for a Local Fire Rescue Corporation; we would never have any funds left at the 9th month of the Fiscal year. The EMS billing will enhance our current budget.

With our growing geriatric population & our aging baby boomers we will be running more and more EMS calls. We will need more paramedics, more equipment and more fire stations. The time is now please vote in favor of Bill 25-08.
